

We need your help please

1. Bellevue School Playpod - <https://www.youtube.com/watch?v=nqi1KyJJJeKg>

We are developing a Playpod at Bellevue school to further develop the student's creativity.....

We have purchased a shipping container and are ready to fill it. This is where we need your help please.

If you are having a cleanout you might have some things that you are throwing away that we could use.

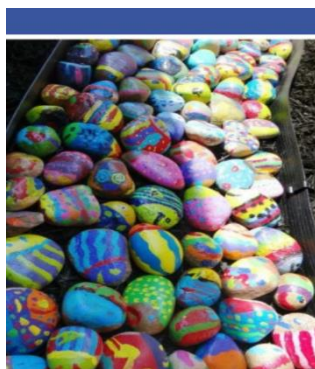

Here are some suggestions but you may have some other cool ideas also that would be great to add. This list is by no means exhaustive.

- Long cardboard tubes, down pipes, guttering, spouting etc.
- Netting, tarpaulins, net curtains, drapes, large pieces of fabric
- Offcuts of foam, foam noodles, old boogie boards
- Hoses,
- Tents, sunshades
- Large cardboard boxes, plastic boxes
- Old phones, keyboards, fax machines
- Pieces of carpet or carpet squares

2. We are planning to make a path with several stones each child has painted to celebrate our Jubilee.

Could you please bring about five stones for each of your children so they can paint it at school. Please try and find stones that are smooth, as flat as possible and approximately 10cm in length.

Many thanks

Anne Smith
