Kia ora Parents, Caregivers and Whānau

At Bellevue we are looking forward to performing our whole school production for you on Thursday 28 September at Newlands College hall. Due to the high level of interest from families to attend the show, we are performing this great musical twice on that day.

Both performances of **'The Magic of Bellevue'** are on Thursday 28 September.

- ☺ A matinee performance
 - this starts at 1:00pm (the door opens at 12:45pm)
- ☺ An evening performance
 - this starts at 6:30pm (the door opens at 6:00pm)

To purchase your tickets please send your order to the school office. Each order requires:-

- ☺ your name
- ☺ which show you would like to attend ie: 1:00pm or 6:30pm
- ☺ the number of tickets required **and** the money for these.

Orders will be processed during the day at a time that is convenient for office staff, then the tickets will be sent home to you. Please note that there is an upper limit of four tickets per family between the dates of 11 September until Friday 22 September. From Monday 25 September any unsold tickets from both performances will be available for sale without limits.

Tickets cost \$8:00 per seat. If you have a preschooler or small child sitting on your knee they do not require a ticket unless you wish them to sit on a chair. Please note that the price of the tickets helps cover the costs of costumes, props, lighting and sound; also buses to Newlands College for practises and the matinee performance.

In addition to practises at our school, the whole school is travelling to Newlands College on Tuesday 26 September to enable us to organise where students will be seated, movements on/off stage and to practise the performance at the venue .

The show is expected to run for approximately one hour with every child being on stage and having an important part in the production. The show has been written and produced by our talented students so come along to see your child/ren and all our stars shine.

We look forward to you joining us to see your wonderful children in their original performance of **'The Magic of Bellevue'**.
