October 2019

The Johnsonville Charitable Trust has approved a \$50,000 grant towards landscaping and developing the unused area of Bellevue school (Jubilee Corner) into a useable play/learning area for our students. This means we now have \$84,000 of the \$100,000 we need to start this great project.

Come along to the Festive Bake Sale and contribute to our other fundraisers to support Jubilee Corner.
